

2026 USPC Championships Divisions Offered & Competition Eligibility Requirements by Discipline

USPC Championships is open to members 10 years of age (as of January 1, 2026), with a minimum D-2 HM certification. USPC bases competition divisions on age, certification, and discipline-specific competition. The eligibility period starts January 1, 2025, and runs through the closing date for USPC Festival Championships.

USPC Festival Championships Qualification Period:

January 1, 2025 – June 22, 2026

Entry Closing Date: June 22, 2026

Additional Notes:

- A mounted rally (standard and modified) is defined as a competition including riding and Horse Management. Please see section 1 of each rulebook for further information/definition on standard and modified rallies.
- Members can earn eligibility in a variety of methods related to the availability of a rally. Any noted “OR” competition requirements listed below are contingent on a member not having access to a rally.
- Stable managers must meet the minimum age and certification requirements for the division, and while participating in a rally is highly recommended to prepare them for Championships, rally participation is not required for members to participate as stable managers.
 - Stable managers must be a D-2 HM for modified divisions and a D-3 HM for all other divisions.
- Certified C-3, B and A members wishing to compete at Championships do not have to participate at a regional rally but must have permission of their RS.
- EV1 Certification – Also known as Eventing Phase 1 (formerly known as Eventing Flat). Please check your certification on your profile to be sure it is reflected properly.
- In all disciplines (except Tetrathlon), competitors can compete up in an older age division but must still compete at the same competition level they earned eligibility.
- Previous USPC Championships competitions do not count towards future Championship eligibility.
- Championship divisions and levels may be combined based on entry numbers and approval from Vice President of Activities (VPA) and the overall organizer.
- ***As a reminder there are NO exceptions for age or certification for Championships.***
