## Incomplete/Scramble Teams

---

If you can't create a full team in any discipline, discipline secretaries will merge and scramble teams after regional supervisors lose access.

Regional supervisors are unable to merge divisions in order to create full teams. If a team member wishes to ride up a division, please put that in the comments for the team. Any incomplete team or member not placed on a team will be placed on scramble teams. Discipline secretaries will merge and scramble teams after regional team creation ends.
