Advertising Policy

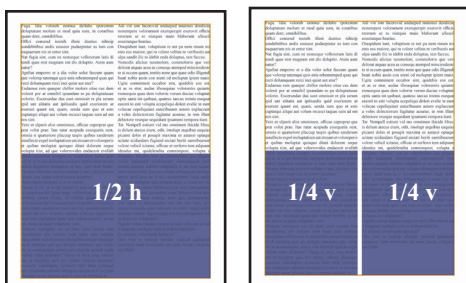

Pony Club reserves the right to reject any ad submitted. No advertisement will be accepted that states or implies Pony Club endorsement. Advertising stating that a product or service meets Pony Club requirements is acceptable, provided the information is correct. The burden of proof for meeting those requirements is on the advertiser.

Due to Pony Club's commitment to safety, no photos or artwork will be accepted that display unsafe practices with horses. All mounted equestrian activity must show riders wearing ASTM/SEI-approved riding helmets with chin straps in place and conventional riding footwear with a heel.

No advertising will be run without a signed contract between the advertiser and Pony Club. Any discount is forfeited if advertising payment is not received within 30 days of invoice receipt.

Multiple advertising discounts do not apply to advertising that is placed on a per-issue basis. To receive the discounted rate, a schedule of ads equal to the discounted amount must be booked by the advertiser prior to the publication of the first advertisement.

Advertisers assume liability for all content within their ads. Acceptance of ad is subject to publisher's approval and agreement by the advertiser to indemnify and protect the publisher from loss of expense on claims or suits based on the contents of such ads, including claims for libel, plagiarism, copyright infringement, and unauthorized use of a person's name or likeness.
