The 2025 USPC Convention is coming up quickly, so don't forget to register before the discounted price goes, starting on January 3. More importantly, meal-ticketed functions will not be available for purchase after January 2.

Attend the Saturday Night Banquet, presented by Via Nova Training, to enjoy a delicious plated dinner and then dance the night away with your Pony Club friends and family. You'll get to meet the 2024 Founders Award recipients and hear Keynote Speaker David Silver share how he and his team uplift their community at Detroit Horse Power.

### Meet David Silver:

David Silver, who is an H-A and B Eventing alum of the United States Pony Clubs, is the founder and Executive Director of Detroit Horse Power, a 501(c)(3) nonprofit that teaches Detroit's youth valuable life lessons through riding and caring for horses. He moved to Detroit through Teach For America and taught 4th and 5th grade on the west side of Detroit from 2012-2014. After two years of teaching, David decided to step outside the classroom to make the character skill-building opportunities he had received through working with horses available to youth like his students.

Now in its 10th year of operations, Detroit Horse Power has brought hundreds of students from the city to partnering horse barns outside Detroit for summer camps that emphasize the life lessons horses can teach us: perseverance, empathy, responsible risk-taking, confidence, and self-control (PERCS).

Don't forget to book your stay at the Grand Traverse Resort before December 21 to receive a discounted rate through our USPC room block.
