

Pony Club®

Where it all begins

Dear USPC Leaders,

The 2026 USPC Convention, sponsored by Elizabeth Hamill Bramsen, 1961 A Alum, Wayne-Du Page Hunt Pony Club; and Via Nova Training, to be held January 28–February 1, 2026, at the Marriott Lincolnshire in Lincolnshire, Ill., is a special time of year when the entirety of our organization can come together for fun, camaraderie, and to connect about the future of Pony Club.

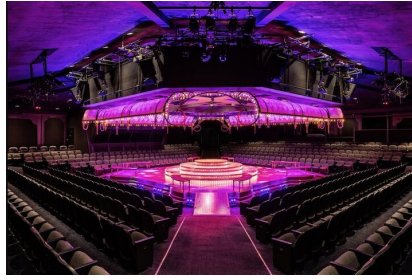

Meet with USPC Regional Administration at specially tailored all-day training sessions available exclusively for USPC local and regional leaders on Thursday and Friday, January 29–30. Leadership training covers topics from club/center/region administration and will include an inside scoop on new and exciting programs coming to USPC.

Join us for the Leadership Dinner Event on Thursday evening. Following the Thursday leadership meetings, USPC's Regional Administration invites club, center, and region leadership (DCs/JtDCs/CAs/ACAs/RSs/VRs) and their adult guests to enjoy dinner and a show without even leaving the hotel. After dinner together in the Three Embers Restaurant, our group will get to experience the

historic Marriott Theatre's newest production, the musical sci-fi comedy favorite, *Little Shop of Horrors*.

Register for an All-Access Pass to your weekend of leadership education and [other activities](#) that the whole family can enjoy. In addition, learn more about [local area activities and attractions](#) and get a sneak peek at the hotel.

Register early! Registration prices will increase on January 6, and meal tickets will not be available after January 5, 2026. In addition, don't forget to [book your stay](#) at the Lincolnshire Marriott Resort before December 19 to receive a discounted rate on your hotel room.

Please visit the [Convention](#) page for more information.

We can't wait to see you there!

Hear what past Leadership attendees have to say about Leadership Training!

"ALL leaders can benefit from leadership training—Treasurers and Secretaries, too! Really great feeling at this year's convention. I took away many tools and tidbits to use. I'm inspired!" — Melissa Dabadie, District Commissioner, Liberty Oaks Pony Club, Sierra Pacific Region

"Friday's session was particularly helpful! Lots of tools to help with parent and volunteer interactions." — Sandra Larson, Joint District Commissioner, Greenville Foothills Pony Club, Vice Regional Supervisor, Carolina Region
