

# Pony Club<sup>®</sup>

Where it all begins

Hello,

It's that time of year again—membership renewals! As a valued member of the Pony Club family, we have a special offer for all Participating Club or Center membership who join or renew early!

To ensure our members continue to receive the best value, we invite you to take advantage of the Early-Bird Special and join or renew at the 2025 membership rates for the 2026 year before membership dues increase on November 16, 2025. The Early-Bird Special will save you up to \$40 on your 2026 membership!

As Pony Club continues to provide quality programs, services, and equestrian education to our members, and to offer enhancements to your membership, USPC has an upcoming adjustment to our membership dues for Participating Club or Center Members who join or renew after November 15, 2025 for the 2026 membership year, including prorated membership options. See the chart below for more information. This adjustment to dues allows USPC to continue providing excellence in equestrian education that is the hallmark of the Pony Club program.

## **New Member Benefit Addition**

We're excited to announce that starting on January 1, complimentary access to [Allpony.com](https://www.allpony.com) will be included for all 2026 USPC members for a single user account. Details will be released at that time; please stay tuned to your email and the [Pony Club Perks](#) page on the website.

Participation on Allpony enhances any Pony Club journey, providing knowledge and fostering a deeper connection to the equestrian world and all there is to learn about horses. Allpony.com is an online educational platform that teaches horse care, horsemanship, and riding skills through interactive digital content, including courses, games, and quizzes.

As a USPC member, you can support your learning beyond the *USPC Manuals of Horsemanship* and other USPC materials with Allpony. In addition, you can practice for quiz rallies and/or use the site to test your knowledge before a certification. To learn more about Allpony, you can visit our [Frequently Asked Questions flyer](#) or email [allpony@ponyclub.org](mailto:allpony@ponyclub.org).
