

# Pony Club

Where it all begins

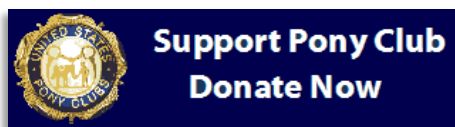

## How Can You Help?

The United States Pony Club is a non-profit equestrian educational organization which serves youth up to 25 years of age. In addition, the Pony Club Horsemasters Program for Adults allows the Pony Club education to continue on after graduating, or even begin for those who did not have the opportunity in their youth. The foundation of the Pony Club education both in and out of the barn is safety, horsemanship, sportsmanship, leadership, stewardship and fun. Members learn riding and mounted sports, and the care of horses. The skills and values instilled through Pony Club teamwork and horsemanship apply to every aspect of life.

Pony Club is supported by the efforts of dedicated volunteers. But we still need the help of alumni, friends and our corporate sponsors. The 2013 audited financial statements are available for viewing here:

## Mission Statement

The United States Pony Clubs, Inc. develops character, leadership, confidence and a sense of community in youth through a program that teaches the care of horses and ponies, riding and mounted sports.

## 2013 Year in Review

This past year has been a very busy and exciting one for The United States Pony Clubs:

- 2013 started with our Annual Meeting held in Denver, CO hosted by the Rocky Mountain and Southwest Regions with over 400 attendees. The keynote speaker for the meeting was Pony Club Graduate Chris Cox. The National Youth Board and the Academy of Achievement were again held in conjunction with the meeting. The following were inducted to the Academy of Achievement in 2013: Heather Bell, Dr. Mary Sarah Bergh, DVM; Dr. Amy Story, PhD; and Margaret "Meg" Johnson.
- 2013 year-end membership (youth) was 8,605. Clubs and riding centers totaled 584.
- The USPC Horsemasters Program introduced the D-1 – C-2 level Standards of Proficiency structured specifically to address the riding and horse management needs of adults.
- In 2013, 234 members passed their National Level Certifications. This included: 127 H-Bs, 60 C-3 Traditional, 1 C-3 Show Jumping, 6 C-3 Dressage, 8 B Traditional, 5 B Dressage, 13 H-HM/H/H-A, 13 A Traditional, 2 A Dressage, and 1 A Show Jumping. Ashley Anderson Glynn, of Peace Point Pony Club in the Tri-State Region, is USPC's first "Triple A" certified member. She is also the first, and so far only, USPC member to earn the A Show Jumping certification.
- The Horse Management Committee has diligently worked on revising and clarifying the HM Handbook to be released in early 2014.
- Visiting Instruction was able to match 19 Visiting Instructors for 27 camps and clubs. Granby and Rose City Pony Clubs were awarded the Anne Lenhart Memorial Grants.
- USPC Manual of Horsemanship – Intermediate C Level was released in 2013 and the Upper Level Manual still under revision with a release in fall of 2014.
- Educational Materials revised and/or developed in 2013 include: Traditional Curriculum Master Chart, Traditional Specific Skills List, Traditional D-1 through C-2 Standards Flow Chart, and D-1 – A Traditional Checklist plus four recommended jump courses for D-2 through C-2 level that are also included with the Standards on the Pony Club website. At the October Board Meeting, the new Dressage D-1 through C-2 Standards were approved for release in 2014. Also voted and approved at the October Board meeting was new wording for the Club/Center Level Tests concerning Retesting. This new wording will now match the Upper Level Tests.

Where it all begins

## DONOR YEARBOOK

- Regional Instruction Coordinators were asked to assist in a project with the goal of creating mounted and unmounted lesson plans to go along with our club/center level standards. The RIC committee and D-1 through C-2 Committee was also asked to develop an Educational Program for our Club/Center Level Examiners and to be presented at the 2014 Annual Meeting.
- For the first time, a national level certification was offered in conjunction with Championships with an H-B conducted at the conclusion of Quiz at Championships in Virginia.
- USPC introduced webinars managed by the UPSC office staff and presented by leaders and volunteers for a total of 384 attendees for our first year of offering Pony Club educational webinars to our members.
- USPC debuted the new educational booth at the Omaha International Horse Show in April 2013. It is designed to offer a grassroots educational outreach for events looking to bring a hands-on approach to learning about horses to their attendees. The educational booth also displayed at the Alltech National Horse Show at the Kentucky Horse Park.
- Pony Club hosted a gathering of alumni, friends and families at the Omaha International Horse Show in April, and the Twin Rivers Event in California in September.
- USPC presented at Equine Affaire in Ohio and Massachusetts, the Kentucky Equine Youth Festival, Conferences for PATH and AYHA, most large equine association annual meetings, and for the first time, the FFA Expo.
- The Bookstore made its transition into ShopPonyClub.org as it moved out of the USPC national office to a third party vendor, to reduce overhead and streamline product offerings.
- 2013 saw Pony Club host two Championships, East and Midwest. There were 583 competitors in Lexington, VA for East and 122 in Kansas City, MO. Kansas City hosted for the first time open dressage and open schooling jumper shows.
- The Prince Philip Cup Mounted Games Competition was held during the Rolex Kentucky CCI \*\*\*\*.
- Pony Club sent one team to Dressage4Kids competing in New York, and one individual in Michigan. There were also several Pony Club members riding as club teams and individuals at both competitions.
- Pony Club fielded a team for the 2013 USEF Pony Jumper Finals.
- Teams were fielded for the International Games Exchange in Canada, the InterPacific Exchange held in Australia, and the Foxhunting Exchange held in the UK.
- More than \$293,000 was raised to support Pony Club programs.
- In April of 2013 the National Office converted to a new Membership Database. This new custom built database allowed volunteer leaders enhanced access to the information they need. Championship registrations were done online with access to the database, as was membership renewals. In addition, clubs, centers, and regions were able to complete their Year-End packets online, saving paper, postage and resources.
