THE UNITED STATES PONY CLUBS
HONOR ROLL OF DONORS

Pony Club[®]
Where it all begins

Pony Club Mission Statement

The United States Pony Clubs, Inc. is an educational organization which builds the foundations of teamwork and sportsmanship through riding, mounted sports, and care of horses and ponies, while developing and enhancing leadership, confidence, responsibility, and a sense of community in its youth and adult members.

Pony Club Core Values

Horsemanship with respect to healthcare; nutrition; stable management; and handling and riding a mount safely, correctly, and with confidence.

Organized teamwork, including cooperation, communication, responsibility, leadership, mentoring, teaching, and fostering a supportive, yet competitive, environment.

Respect for the horse and self through horsemanship, for land through land conservation, and for others through service and teamwork.

Service by providing an opportunity for members, parents, and others to support the Pony Club program locally, regionally, and nationally through volunteerism.

Education at an individual pace to achieve personal goals and expand knowledge through teaching others.

The Pony Club Pledge

"As a member of the United States Pony Clubs, I stand for the best in sportsmanship, as well as in horsemanship.

I shall compete for the enjoyment of the game well played and take winning or losing in stride, remembering that without good manners and good temper, sport loses its cause for being.

I shall endeavor to maintain the best tradition of the ancient and noble skill of horsemanship, always treating my horse with consideration due a partner."

Dear Pony Club Supporters:

I wish I could personally thank each and every one of you for your dedication and support. Your financial contribution allows USPC to continue educating and providing opportunities for our members of all ages to learn and grow and to become leaders within their Pony Club communities and beyond. We are now seeing third- and fourth-generation members in Pony Club, which tells me we are doing it right.

Thank you for making this possible.
