Pennsylvania has laws, PA Act 153 of 2014 amended July 1, 2015 by PA Act 15 of 2015, requiring specific background check certifications for volunteers of youth serving organizations like U. S. Pony Clubs, Inc.

Adults (18 years of age or older) who apply for or hold an unpaid position as a volunteer with a program, activity or service responsible for the child's welfare or having direct volunteer contact with children, are required by the Commonwealth of Pennsylvania to complete and submit the required clearances prior to commencing their responsibilities. *For more details on who needs certifications visit: [PA Dept. of Human Services Volunteer FAQs](#)*

Requirements

All adult volunteers from the above list must obtain the following Pennsylvania Required Clearances, then submit the results to Pony Club.

- Report of criminal history from the Pennsylvania State Police (PSP)
 - *Required every 60 months (5 years)*
- Child Abuse History certification from the Department of Human Services (Child Abuse)
 - *Required every 60 months (5 years)*
- FBI federal criminal history certification
 - *This is only required once since establishing/reestablishing residency in Pennsylvania.*
 - *If a volunteer has not been a resident of Pennsylvania for the last 10 years, but obtained their FBI certification at any time since establishing residency, a copy of that certification will suffice. They are not required to obtain any additional FBI certifications.*
 - *If eligible, a volunteer may submit a Disclosure Statement Application for Volunteers waiver, see below for more information.*

Disclosure Statement Application for Volunteers Waiver

A fingerprint based federal criminal history (FBI) submitted through the Pennsylvania State Police or its authorized agent is NOT required as long as:

- The position the volunteer is applying for is an unpaid position; AND
- The volunteer has been a resident of the Commonwealth of Pennsylvania for the entirety of the previous 10 years.

Volunteers who are not required to obtain the FBI certification because they are applying for an unpaid position and have been a continuous resident of Pennsylvania for the past 10 years must sign and submit the Disclosure Statement Application for Volunteers waiver form affirming that they are not disqualified from service based upon a conviction of an offense under §6344.

This is only required once since establishing/reestablishing residency in Pennsylvania.
